

Youth Week 2027 –Council Grants

Funding information and Council allocation Guide

The Office for Youth is pleased to advise that the Youth Week 2027 funding round is now open.

Base Funding Allocation

- All councils that accept Youth Week funding must -match the base funding allocation (dollar-for-dollar or equivalent in-kind contribution).
- Refer to the funding table for your council's base funding allocation amount.

Rural and Remote Subsidy

- Councils classified as *rural or remote* receive an additional subsidy to support participation by isolated young people.
- This subsidy may be used for:
 - An additional Youth Week activity, or
 - Transport to assist young people to participate.
- The subsidy is paid **as part of the Youth Week grant**; no separate application is required.
- Councils receiving the subsidy are not required to match the subsidy amount.

Acquittal Requirements

- All Youth Week funds — including subsidies — must be acquitted through the **Completion Report** in SmartyGrants.

Important Reminder

- **Column G** in the funding table shows the **total amount of funding provided by Office for Youth (ex GST)**.
- If you experience any SmartyGrants login issues or are unsure about your funding amount, email: grants@officeforyouth.nsw.gov.au
